

SMART WORLD
NATURE'S
COURT

Where Nature Sets The Pace For
An Active, Youthful Life

A home that supports how you live.
With a home specially curated for you.

A 150-Acre Integrated Development

Gurgaon International City is the largest integrated City of Gurgaon,
where homes, workspaces, retail and greens come together as one.

Live. Work. Play.

The image is an aerial architectural rendering of the Gurgaon International City (GIC) development. It shows a large-scale urban plan with a mix of high-rise apartment buildings on the left, a central commercial and recreational hub with a large blue water feature and green spaces, and a residential area with smaller, modern houses on the right. The entire development is surrounded by lush greenery and trees. The background shows a vast, flat landscape under a clear sky.
