NOW IN MEERUT

MEERUT - AT A GLANCE

Meerut, is a city in the Indian state of Uttar Pradesh. It is an ancient city with settlements dating back to the Indus Valley civilisation having been found in and around the area. The city lies 70 km northeast of the national capital New Delhi, and 453 km northwest of the state capital Lucknow. Meerut is the second largest city in the National Capital Region

Known as the "Sports City of India," Meerut is one of the largest producers of sports goods in the country.

It is the largest producer of musical instruments in India.

Meerut is one of Asia's biggest gold markets.

The city serves as an education hub in western Uttar Pradesh.

It has the 3rd-highest per capita income in Uttar Pradesh, after Ghaziabad and Gautam Buddha Nagar.

Meerut is the 63rd-fastest-growing urban area in the world.

It ranks as the 14th fastest-developing city in India.

THE EMERGING INFRASTRUCTURE POWERHOUSE

The Delhi-Meerut Regional Rapid Transit System (RRTS), India's first inter-city high-speed metro corridor, is under construction in Meerut.

Known as the "expressway capital" of Western Uttar Pradesh, the city has three expressways and two upcoming expressways - Dehradun and Ganga Expressway

Close proximity to Delhi-NCR offers urban connectivity with affordable living.

Attractive for working professionals and frequent travellers seeking peaceful living.

A PROMISING INVESTMENT HUB

According to the 2001 census, the city ranked 2nd in terms of population in NCR, and 25th in India, which makes it a potential market of Consumers.

Expansion of urban boundaries and upcoming infrastructure projects boost land value.

Improved transportation networks and industrial hubs enhance investor appeal.

Ideal for short-term and long-term investment returns.

Thriving economy with industries like sports goods, musical instruments, and agriculture.

Recognized as a leading exporter of sports goods.

The background of the slide is a close-up photograph of several dark green, oval-shaped leaves. The leaves are covered with numerous small, clear water droplets, giving them a glistening appearance. The lighting is soft, highlighting the texture of the leaf surfaces and the individual droplets. The overall color palette is a range of dark greens, from deep forest green to slightly lighter, more vibrant green where the droplets catch the light.
